Forward

A record of existing and readable footstones and headstones as at August 2008

The headstone provides a genealogical record of names, dates, age and relationships of people etc. Unfortunately there are large number which were illegible because the surface was crusted or weathered

There were a number of footstone rows. Again most are illegible because they were weathered, crusted, planted too deep or in undergrowth

Northeast of Church Door moving eastwards, continuing southwards

1 ~ **Taylor**, William George, d 24 Apr 1922, age 28 yrs
2 ~ **Pearce**, Thomas, remainder illegible, of this parish (altar tomb)
