Forward

A record of existing and readable footstones and headstones as at April 2008

The headstone provides a genealogical record of names, dates, age and relationships of people etc

A footstone shows the deceased's initials and year of death. I have included them where the headstone is missing or unreadable (name in brackets aligns with surveyed headstone or Charles Partridge's record)

Gravestone Inscriptions by location

The churchyard has been split into 3 defined burial areas to help locate the gravestone
