

St. Mary, Sweffling

Forward

A record of existing and readable footstones and headstones as at April 2008

The headstone provides a genealogical record of names, dates, age and relationships of people etc

A footstone shows the deceased's initials and year of death. I have included them where the headstone is missing or unreadable

Gravestone Inscriptions by location

I have split the churchyard into 3 defined burial areas to help locate the gravestone

- 1) East side of grass path leading to Church door
- 2) West side of grass path leading to Church door
- 3) Modern area. Behind the Church, cross parking lot and through metal gate

The inscription read:

Here resteth the body of
 Thomas Denny
 Gentleman
 who departed this life
 on 23 February 1789
 Aged 75 years.
 Also of

Thomas Denny his son
who died January 27th 1816
Aged 60 years
And also of Susannah Denny
relict of
Thomas Denny Gentleman
who died August 11th 1834
in the 75th year of her age.

Susannah - it a bit of a puzzle because I can't quite fit her into the family as yet but think that she is probably the daughter-in-law of Thomas d 1816, wife of his son Thomas

With thanks to Bruce Denny, Auckland, New Zealand, 2010
